

"The Hyway Rockers Classic Car Club" is dedicated to the preservation of antique and classic cars, trucks, and special interest motor vehicles. We maintain an excellent standing in our community from our community involvement, charitable donations, and finally our well-organized car cruise events.

On the second Saturday of the month from April thru October we hold our classic car cruises. To date, each cruise consistently draws 100 plus classic cars and trucks, along with approximately 500 spectators. During these cruises we give away attendance prizes, which have been donated by Companies or Businesses like yours. We put a business card size ad for you in our monthly newsletter, which goes out to all members and sponsors, and we have a website where all of our sponsors are advertised. Our website is address is www.hywayrockers.org. This is an excellent way to promote and advertise your company or business.

Hyway Rockers Classic Car Club would like to ask for your assistance in being one of our many sponsors by donating attendance prizes to our car club for each cruise that would total a minimum of a \$100 a year and/or you can give a \$50.00 a year sponsorship, which will be used to purchase attendance prizes. We will give these attendance prizes away at each cruise night. Community involvement is the best form of advertisement!

If you are able to help, here are a few contact numbers of our officers.
